DETAILED ACTION

Prelim./Amdt.

1. Receipt is acknowledged of the Pre-Appeal Brief Request for Review filed 04/28/2006.
2. Claims 1-18 are pending.

Allowable Subject Matter

3. Claims 1-18 are allowed.
4. The following is an examiner's statement of reasons for allowance: With regard to claims 1, the prior art of record fails to disclose motivation for a headlamp adjuster having a expandable member wherein the adjuster member is configured to be retractable to such an extent that the end of the adjuster member contacts and pushes on the expandable member and the expandable member is configured to expand upon the second end of the adjuster member contacting and pushing on the expandable member to accommodate retraction of the adjuster member. With regard to claim 11, prior art of record does not disclose a method of adjusting a position of a reflector of a headlamp assembly having an expandable member, the method comprising a step of using the expandable member of the headlamp adjuster to contactably receive the end of the adjuster member as the adjuster member retracts and expands to accommodate retraction of the adjuster member. Claims 2-10 and 12-18 depend from claim 1 and 11. Therefore, claims 1-18 are patentable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
